An update on the new water pipe installation on Chatsworth Road

Works are currently underway installing new water pipes on the first section of Chatsworth Road. Then, from early February, the crew will restart work installing a new water pipe from number 25 Chatsworth Road down towards Tiniroa Grove. They will be using the trenchless method of directional drilling, which will significantly reduce disruption.

Traffic management will be in place to maintain two-way traffic flow while this work is underway.

Cost of living crisis makes it impossible for some to pay their annual MedicAlert fees – You can help

Due to the rising costs of living, it has made it near impossible for some to afford to pay their annual MedicAlert membership fees. Those especially feeling the pinch are the elderly or those families with young children who need the membership.

The MedicAlert Foundation in New Zealand has set up a pay-it-forward system on their website. Donate the \$65 (or any other amount you can afford) to help someone who needs this service if they have a medical emergency at: <https://www.medicalert.nz/>

Making memories and boosting literacy with the Big Read

While we were patiently holding out for blue skies and summer sunshine, an amazing 185 local tamariki (kids) and rangatahi (teens) were busy reading, exploring, and logging activities in their Little, Big, and Even Bigger Read journals.

Today we are celebrating an incredible feat by our young readers: 342 journals were completed during our Big Read summer reading challenge in December and January.

That translates to a staggering 1,140 books read, and 1,400 adventures and activities enjoyed over the summer!

What is the Little, Big, and Even Bigger Read?

The Big Read (for short) is our annual summer reading challenge for families and whānau.

We joined Hutt City Libraries in 2022 to make the Big Read a valley-wide programme and to offer our communities a flexible and fun summer challenge, from Akatārawa to Wainuiomata.

Every summer, kids and families can choose from four journals depending on their age group. Each journal is a mix of reading stories (pūrākau) and activities (tākaro), with plenty of suggestions alongside free-choice options to suit different interests and reading levels.

The Big Read is about encouraging reading, imagination, adventure, and fun. There is no set reading time required, and we make all genres and formats count: fiction, nonfiction, comics, eBooks, audiobooks, and many more.

Why summer reading is important

Boosting literacy and keeping our young ākonga (learners) active and creative over the summer is at the heart of why we host the Big Read for families.

The “summer slide” is well documented and researched*, and describes the phenomenon of children’s literacy declining during the long summer holidays. This impact can lead to a significant setback in learning, especially for kids who already struggle with literacy.

Not only is the Big Read designed to help prevent the “summer slide” – we also know that summertime is here to make memories together, which is why logging fun activities is part of the challenge.

Ka pai, pānui mai – well done, keep on reading

Thank you to everyone who took part and made reading an adventure this summer!

We are currently contacting participants to share exciting news about their prizes. It wouldn’t be a reading challenge without fantastic prizes waiting at the end, of course.

School may be back, and no matter the weather: keep on reading, and let adventure find you. In your backyard, in your community, and in the pages of a great book.

Local Water Done Well, Decisions made in 2025 will affect YOU!!!

To those who might be questioning why this article is being reproduced multiple times, I've been asked if I could run this until the end of March. Cheers, Ben Knowles - Editor / Operator @ The Upper Hutt Connection.

We would like to make people as informed as possible over an issue which will affect all residents and future generations in Upper Hutt and across the country.

With decisions that need to be made in 2025, we have been told by the Upper Hutt Council that they will consult with the community in Mar/Apr 2025 on our preferred water delivery method. Water is a very precious resource and is vital to each and every one of us.

We have collated on a webpage as much information as we can and tried to present it as neutrally and hopefully as informative as possible.

We have included a recent email of questions we have sent to councils and others to ask for information and voice our views. We would encourage others to do similar with their views, concerns and questions.

Visit this site to know more. <https://www.nzempowered.com/post/local-water-done-well>

Upper Hutt City Council

A response to: Upper Hutt Bowling Club proposes a long-term lease of land at Maidstone Terrace and Railway Ave

Did you know that UHCC are looking at giving the UH Bowling Club a lease zoned for high density residential of land worth millions for around 40c sqm making our City a revenue of around \$162,000 over 33 yrs at around \$4900 per year. How much rates/rent will you pay over 33 years, and this is after the bowling club sells their land for and estimated \$5.5m...

We have a chance to start getting this city back on track and sort this crap out...

Please have a read and look into seriously submitting your thoughts.

<https://1drv.ms/b/s!AiRvWJcR8iJciJs7RgcJUf2GZlroA>

Let's show them we are aware and this does not make economical sense, we want better infrastructure amongst other things, also aren't many of our Councillors in business?

Would they jump at this if it was their business?.....

RECIPES

Niçoise Salad

The original recipe and name for this salad comes from the city of Nice (pronounced Niece) in south-east France. No direct proportions are given for the ingredients. Traditionally this salad uses cubed boiled potatoes, this simplified version uses pasta instead.

Ingredients:

- Dried pasta: 100g per person
- Large tin of tuna
- Eggs (1 per person)
- 1 Red onion, finely sliced
- Tomatoes, cut into wedges
- 1 Cucumber, quartered and then finely sliced
- Green beans (use frozen if desired, thaw and cook in microwave)
- Capers or olives
- Lettuce, finely chopped.
- An oil dressing, or mayonnaise (oil is traditional)

Method:

1. Place the eggs in a saucepan, cover with water, and boil for six minutes. Drain, cover with cold water and then leave to cool.
2. Cook the dried pasta according to cooking instructions on the packet.
3. Place the pasta in a large salad bowl, and prepare the other ingredients one at a time, stirring each ingredient into the pasta as you go.
4. Peel the hard boiled eggs, and cut the eggs into wedges. Mix eggs into the salad.
5. Serve with the oil dressing, or mayonnaise.

The Upper Hutt Connection

Cashew and Caramel Slice

Ingredients:

Base:

- 100g butter
- 1/8 cup sugar (I know that 1/8 cup measures don't exist, just do half a 1/4 cup)
- 1 cup flour

Filling:

- 100g butter
- 1/2 a 400g can sweetened condensed milk
- 2 tbsp golden syrup
- 150g cashews, roughly chopped

Method:

1. Preheat oven to 170°C
2. Cream butter and caster sugar, then sift in the flour and stir to combine. Then knead to ensure all ingredients are properly mixed.
3. Press mixture into a greased slice tin. Bake in the oven for 10 minutes.
4. While the base is cooling, combine the butter, condensed milk, and golden syrup in a small saucepan and heat over a low heat until the butter has melted. Continue stirring until the mixture boils. Stir in the cashews.
5. Spread the caramel mixture over the base and leave to set. Note that this topping doesn't set hard, it will always be a bit gooey, but it sets more over a few days.

Silverstream Reformed Church

Location: 8 Blue Mountains Road, Silverstream

What we Believe:

We believe that Jesus Christ is the only Saviour and the Sovereign Lord over all of life. We are fully committed to the Bible in its entirety as the Word of God. We believe that theology is important, it is vital for the health of the church, and without sound doctrine the church decays. Throughout history, the church has confessed what it believes by faithfully summarising the truths of the Bible in written forms known as creeds and confessions. These confessions do not hold the same authority as the Bible, but they help to summarise the Bible's teaching. Ultimately, the Bible remains our only rule for faith and life.

Who we Are:

Our Church is a family church, with a mixture of young families, retirees, couples, single people and youth. We have approximately 200 members, from different backgrounds, meeting together because we share a common faith in the Lord Jesus Christ

Service Times:

Our worship services are on Sunday at 10 AM and 4 PM, and we would love to see you there. Our friendly greeters will meet you at the door and answer any questions you have.

Sunday 9.30am: Traditional NZ Anglican Worship

This is a comfortable, family-friendly feeling service, although it follows the traditional liturgical format. The service order alternates between the three ANZPB Eucharistic (communion) liturgies. There is always a sermon with a liturgical assistant leading the worship; when a priest is not available. The communion is led by one of our leaders licenced for reserved sacrament.

Thursday 10.00am: Traditional Communion Service

The service order follows ANZPB with the Sunday sermon being repeated here. Our services are supported by a good tech suite, including two large monitors installed at the front of the church, and a quality sound system.

Prayer books remain available in the pews for anyone who prefers to use them.

ENTERTAINMENT

Film Review: September 5

Went to see the new film September 5 yesterday.

September 5 is about the ABC's news team's coverage of the Israeli hostage situation at the Munich Olympic Games in 1972. Although it's a drama, it comes across as very realistic. None of it came across as over the top – it all seemed as it could have happened. The hostage situation, and the shootings which occurred, were also something that the government of Germany didn't need, as the memories of the atrocities of the Second World War were still fresh in people's minds. Germany was showing that the Nazi era was in the past – and then this unfortunate event happened.

For the whole 90 minutes, there was never a dull moment in the film.

BRIDGET JONES: MAD ABOUT THE BOY

Running time: 130 minutes

Rated: M (Offensive language & sexual references)

Bridget Jones first blasted onto bookshelves in Helen Fielding's literary phenomenon Bridget Jones's Diary, which became a global bestseller and a blockbuster film. As a single career woman living in London, Bridget Jones not only introduced the world to her romantic adventures, but added "Singletons," and "Smug-Marrieds" into the global lexicon. Bridget's ability to triumph despite adversity led her to finally marry top lawyer Mark Darcy and to become the mother of their baby boy. Happiness at last.

But in Bridget Jones: Mad About the Boy, Bridget is alone once again, widowed four years ago, when Mark (Oscar® winner Colin Firth) was killed on a humanitarian mission in the Sudan. She's now a single mother to 9-year-old Billy and 4-year-old Mabel, and is stuck in a state of emotional limbo, raising her children with help from her loyal friends and even her former lover, Daniel Cleaver (Hugh Grant).

Pressured by her Urban Family —Shazzer, Jude and Tom, her work colleague Miranda, her mother, and her gynecologist Dr. Rawlings (Oscar® winner Emma Thompson) — to forge a new path toward life and love, Bridget goes back to work and even tries out the dating apps, where she's soon pursued by a dreamy and enthusiastic younger man (White Lotus's Leo Woodall). Now juggling work, home and romance, Bridget grapples with the judgment of the perfect mums at school, worries about Billy as he struggles with the absence of his father, and engages in a series of awkward interactions with her son's rational-to-a-fault science teacher (Oscar® nominee Chiwetel Ejiofor). The returning cast includes Oscar® winner Jim Broadbent and BAFTA winner Gemma Jones as Bridget's parents and, as a new character, Isla Fisher (Now You See Me, The Great Gatsby) as Rebecca, Bridget's neighbor.
